

BCSA Local 10

Richard Lipsitz Sr. was the BCSA's attorney for many years. He passed away on May 18, 2018 and we would like to acknowledge the excellent service that he provided for us over the years. Buffalo administrators continue to enjoy the many gains he won through grievances and contracts.

Richard Lipsitz was a legal heavyweight in the labor field. He was a champion of unions. Dick Lipsitz, as he was affectionately known, was an early supporter of the civil rights movement in the 1950's and 1960's. He was a staunch opponent of the Vietnam War. He was also a Buffalo Public School graduate from Lafayette High School.

BCSA extends our sympathy to his family and to Richard Lipsitz, Jr. who continues the family legacy as President of the WNY Area Labor Federation, AFL-CIO and is a friend of the BCSA.
