

Buffalo's City Honors and Hutch-Tech Ranked in Top WNY Schools

New York State has ranked City Honors #2 and Hutchinson Technical Central High School #7 in recently published results. Section is based on graduation rates, college readiness and student demographics.

*City Honors Principal and
BCSA Member William Kresse*

City Honors and Hutch-Tech are regularly recognized for the outstanding academic accomplishments of their students. Both schools are highly sought after by parents because of their consistent quality.

City Honors students are distinguished because 96% take AP courses, are in the top percentiles for reading and math and graduate at a rate of 98%.

Hutch-Tech students also excel in math and reading and graduate at a rate of 91%.

Congratulations to BCSA Member and City Honors Principal William Kresse and BCSA Member and Hutch-Tech Principal Gabrielle Morquecho for the fine work they do leading their staff and students to these high rankings.
